-**Solar PV assembly** - training for trainers and workshop intensive with **MeSEA.**

PV for ASES and NESEA Chapter members, seven day program.

Program (2-day sessions - Sept. 28 - Oct. 4), will allow participants to experience the full assembly procedure, made famous by Dr. Komp in third world “PV Cottage Industry”.

(first day will focus on the first half of PV assembly and encapsulation)

60W PV modules will be available for sale to participants, to raise funds for third world work!

How to start a PV "Cottage Industry", with third world communities.

With hands-on focus, facilitated by Dr. Komp.

How to ... assemble 60W PV modules in the jungle!

With John Burke - Including: a one day PV assembly workshop with a group of local Mainers.

How to combat Climate Change and Global Warming...

Work with local groups, in your community.

-Get ready for Oct 10, 2010 (10-10-10) **Global Work Party** focus of www.350.org
